VETERINARY ASPECTS "A"

VETERINARY EXAMINATIONS, HORSE/PONY INSPECTIONS & PASSPORT CONTROLS
These will be carried out in accordance with the Veterinary Regulations, Art. 1011, 10th Edition, and the Jumping Rules, Annex VII, 21st edition effective 1st January 2005.

Veterinary inspection will take place at the stables on the Tuesday 3rd October afternoon and Wednesday 4th morning for late arrivals.

"General Regulations", 21st Edition, effective 1st January 2005, will apply:

Art. 139.1

Every horse/pony entered for any competition at CNs or CIMs (see Appendix D) in a foreign country, (see GRs 141.2) and all horses/ponies entered for other Cis, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2

Horses/ponies taking part in CNs and CIMs (see Appendix D) in their own country of residence are not required to have such a passport as mentioned in paragraph 1. All such horses/ponies must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses/ponies must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, VET. REGS. APPENDIX VI (except events taking place in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart.

In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions, which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CSI^{***}/^{****}/^{*****}, CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CSIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet.Reg. Art. 1016)

Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)

The Organising Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse/pony per event as a contribution towards the costs of the MCP programme.

**14) SPECIAL REGULATIONS FOR VETERAN RIDERS
Annex X**

Art. V1 – The objective of the following set of regulations is to standardise types of Events and competitions for Veteran Riders throughout the world taking into account specific problems applying exclusively to Veteran Riders.

Except for the following specific rules, the FEI rules for jumping events will apply:

Art. V2 – Definition of a Veteran rider

The following may compete as Veteran riders:

1. Ladies from the year in which they reach their 45th birthday and gentlemen from the year in which they reach their 49th birthday. Riders may not have participated in jumping competitions for senior riders at CSI** events and upwards in the current year.
2. Veteran competitions are open to riders who, in the current year, have not taken part in any competition in the initial round with the height of obstacles exceeding 1,30m.
3. Each rider must be in possession of a valid licence from his/her National Federation.
4. Upon entering Veteran Riders for International Events, NFs automatically certify that entries are correct and that the participants meet the above requirements.

Art. V3 – International Events

The following competitions can be organized for Veteran riders: CSI Cat. A and B and CSIOs.

CSIV Cat. A Events (Art.106)

1. A CSIV Cat. A event is an international Event open to individual competitors from the host country and from an unrestricted number of foreign countries.
2. No limit on prize money offered.

3. All other requirements as per rules for CSI** event for seniors.

CSIV Cat. B Events (Art.106)

1. A CSIV Cat. B event is an international Event open to individual competitors from the host country and from an unrestricted number of foreign countries. Riders living abroad may compete at CSIV cat. B events for the host country at events held in the host country.
2. No prize money.
3. All other requirements as per rules for CSI* event for seniors.

Art. V4 – Obstacles and Courses

Courses for Veteran riders consist 8 to 12 obstacles.

Obstacles have a minimum height of 1.10m and a maximum of 1.20m in the first round. Spread obstacles have a width in proportion to their height of 1.20m to 1.30m.

Speed 350 m per minute.

STABLE SECURITY/STEWARDING AT INTERNATIONAL EVENTS

MINIMUM REQUIREMENTS TO ENSURE IMPLEMENTATION OF VRs ART. 1005.2.5

1. ACCESS TO STABLE AREA

For an optimal stable security, the stables must be completely enclosed within a suitably restrictive perimeter (stable area) which will act both as a deterrent to the admission of unauthorised persons and to the exit of horses. The area must be sufficiently large to allow horses to be evacuated from the stables in an emergency, but still remain within the confines of the perimeter. However, several disciplines allow in specific situations a lower level of stable security (see discipline rules).

Whenever possible the stable area must include only stables - lorries, caravans, etc., should not be permitted within the area unless specifically needed as accommodation for horses/ponies and/or grooms.

Access to stables must be limited to those persons indicated in VRs Art. 1005.2.5.2. It is essential that the official issuing authorised access be a responsible person of seniority within the Organising Committee.

2. CONTROL OF ACCESS

A control system must operate at all entrance gates so that there is an efficient and reliable method of identifying those who enter and leave the stable area at any time.

Extra vigilance must be used in establishing the identity of persons and reasons for entering the stables during the night.

3. STEWARDING OF STABLE AREA

At least one stable steward directly responsible to the Chief Steward must be present or readily available in the vicinity of the stable area 24 hours a day during the entire duration of the event. Deputies as required may assist him. The steward/deputies must regularly patrol the stable area, without establishing any predetermined pattern, to discourage any form of illegal practices or abuses to horses. Any misdemeanours must immediately be reported to the stable steward who must, in turn, report to the Chief Steward.

The duty of the stewards is therefore to safeguard the welfare of the horses and to prevent any form of illegal practices.

4. GROOMS

It is appreciated that grooms wish to remain with their horses during the night. Only grooms duly registered with the OC are permitted to do so.

The Person Responsible must ensure that his/her grooms, or any other authorised persons with access to his/her horses, are familiar with the security and stewarding procedures operating at the event attended.

5. MOVEMENT THROUGHOUT EVENT GROUNDS

Movement of horses between the stables, practice, grazing and main arena must be strictly controlled. The optimum layout for Jumping and Dressage disciplines is attached. It is appreciated that flexibility will be required depending on the requirements of other disciplines.

6. STEWARDING OF PRACTICE ARENA

The Chief Steward must ensure that each practice arena is adequately stewarded at all times that it/they are officially open. He must also ensure that all practice arenas are subject to random control when they are officially closed.

7. GRAZING AREA

It is recommended that a grazing area be provided at all outdoor events and that this be subject to random control. If available, horses/ponies must only be grazed or walked in hand within this area.

The Foreign Judge/TD at events will be specifically asked to check that the relevant requirements are met, as reasonably as can be expected depending on the discipline, and to clearly indicate any shortfalls, following which consideration may be given to altering the category of the event in future.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1000, Lausanne 5, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English, French, Spanish, German and Arabic. The Code is also available on the FEI's website: www.horsesport.org.

Admitted to the first part, the golf competition, are participants, which are part of the Veteran-Jumping riders family in the broadest sense: Member, family members, friends, guests and sponsors of the show. There is no age-limit for the participants of the golf-tournament.

Prerequisite is a handicap of at least 36. On the day of the tournament the handicap has to be verified.

Admitted to the second part, the jumping competition, are riders who hold the veteran status according to the FEI Statutes and are participating at the tournament.

A person can participate in two different teams both as rider and golfer, if the person meets the conditions.

Judging: An intermediate result will be made after the golfing competition.

The golf competition will be judged after Stableford, meaning:

- who plays his handicap, has 36 net point and therefore takes 0 points into the intermediate result .
- who overplays his handicap, takes plus points –the difference between handicap of 36 and the played net points – into the intermediate result.
- who doesn't reach his handicap, takes minus points - the difference between handicap of 36 and the played net points – into the intermediate result.

The jumping competition no. 8 will be judged according to points & time.

It consists of 9 obstacles, points regarding to difficulty. Overall points: 36
Starting in the reverse order of the results of the intermediate result.

The final result is calculated by addition of the golf points and the jumping points. In case of equality of points the time of the rider will determine the winning team.
