

Dear Athlete,

You are entered in an FEI Event taking place next week.

As per the [EHV-1 By-Laws](#), it is now mandatory to use the [FEI HorseApp](#) mobile application to:

1. Enter the temperature of each horse twice daily for the 10 days leading up to the arrival at the Event

○ *Temperatures should be entered on a regular/daily basis*

2. Fill in a Horse Health FEI Self-Certification form for all horses attending the Event

○ *This should not be done earlier than 24 hours prior to your arrival at the Event*

Paper copies of the above requirements will no longer be accepted.

Guidelines on how to use the new functionalities on the FEI HorseApp can be found [here](#).

Please remember to bring your own thermometer to the Event and make sure it is readily available at arrival as you will have to take the temperature of each horse after unloading them.

You must also take the temperature of each horse twice a day at the Event using your own thermometer and add the recordings to the relevant chart on the horse' stable.

We thank you for your cooperation and remain at your disposal for any questions:
