For our services we will issue all freight authorisations, advise you of all ferry crossings. Book stables on route if required. If due to bad weather you will be unable to ship then we will be able to advise you on where to stable and book this for you.

Apply for all return health certificates and export licences. These certificates will be signed by the show veterinary surgeon prior to your departure back home.

Basically we will try and make your trip to England as stress free as possible.

The best route to travel will be via Calais to Dover. There are sailings at least every three quarters of an hour. We cannot make a ferry booking for you please arrive at the port at least 1 hour before your intended sailing to Dover. If you wish to travel via another route please let me know which one and I will be able to give you a quote for that route.

For your payment we accept all major credit cards.

I do hope that the above is of interest to you. If you have any queries please do not hesitate in contacting me.
